

Walker Maschke

Client Consultant

PFM Asset Management LLC

Walker joined PFM Asset Management in August 2017 and is a client consultant for the Client Services Group. His focus is primarily on the South region. His responsibilities include addressing client needs by onboarding new clients, assisting with transactions/account changes, providing requested reports, researching & answering client questions regarding the markets, their accounts and investments and working with all internal groups to ensure that client needs are being met.

Walker graduated magna cum laude with a degree in Economics from York College of Pennsylvania in May 2017.
